Native

**English**
Intermediate

## Career

From 2023
**Resident at Sala RAW**
Joined the residents' team at the Barakaldo venue.

After the pandemic
**Last Dance Records**
Organised parties at Sala Mytho and created the label, signing its first artists.

From 2017
**Promoter and first label**
Organised regular events in Durango, co-founded Sweet and Vicious Records and booked international artists.

2014
**First sets**
Collaborated with KCR Records and the HardHousing show, and played first sets at clubs in northern Spain such as Non and Venecia.

## Artistic profile

Since 2014 I have combined development with electronic music, under the stage name GOMI. This side of my life has given me experience in management, negotiation and organisation, and a way of making decisions that pays attention to details and to people.

## Activity

### DJ
Resident at Sala RAW in Barakaldo, Spain, since 2023.

### Record labels
Co-founder of Sweet and Vicious Records and manager of Last Dance Records: artists, releases and merchandising.

### Events
Organising events for up to 500 people, booking international artists since 2017, and negotiating contracts and fees.

### Production
Collaboration on music productions.

## Projects for the music world

### bumping.es
Electronic music platform with over 130 models: automated news from Instagram, Spotify and TikTok, AI-assisted writing, a forum, real-time chat, its own radio, push notifications and Google sign-in.

### Last Dance Records
Record label website managing artists, releases, events and booking, with its own admin panel, YouTube and Instagram integration and browser tests with Playwright.
